## *Vicar's Voice*

As our stewardship campaign approaches, I'd like to offer a few reasons to give generously to St. Antony's. All of us who support our church deserve to know that our money is well spent on our mission, "Gather, Grow, and Go."

A good portion of our budget is spent in our mission to "Gather" for the worship of God and for fellowship every Sunday morning. We offer worship with dignity, warmth, and hospitality to all who come. I think all of us deeply value the experience of Holy Communion that is so central to our spirituality. The salaries of our priest, musicians and secretary are essential to making the Eucharist available. And don't forget that we now pay substantial rent to have the use of our worship space.

Not only do we gather on Sundays for worship and fellowship, but we also gather many other times during the week, for Bible Study, outreach, education, eating together, "knitting wittily," and for the Wednesday Eucharist and program. We offer a family church atmosphere that has a place for everyone - something that is deeply needed in a world where many people are lonely.

We're committed to "Growing" as part of our mission, and we offer numerous opportunities for spiritual and personal growth. Our weekly Bible study and Wednesday night programs have enjoyed steady attendance, as well as the Sunday afternoon Contemplative Service, book studies and seasonal offerings like Ash Wednesday and Holy Week. All these activities require budgetary support.

A thriving church needs a good support system and we're fortunate to have a secretary who is gifted at doing all the unseen background work that keeps things running: bulletins, newsletters, directories, phone calls and emails. And of course we have expenses for internet service, telephone, website hosting, copier contract, and so on. It's easy to take for granted all the behind-the-scenes activities that a successful organization requires.

The last part of our mission is to "Go" out into the world to spread the Gospel and serve the world. Not only do we make a difference in our community through our support of outreach organizations and our service at the Lord's Neighborhood Diner, but we also make a difference in the way we live our personal lives as shaped by our faith and the spiritual nourishment we receive from our church. Our communities would be poorer without the strength, integrity, and morality that we gain from our participation in St. Antony's.

In short, the world is a better place and we are better people because of the existence of St. Antony's. The money we give to our parish budget is used wisely and carefully managed by our Treasurer and Bishop's Committee. I'm confident that my pledge of ten percent of my income to St. Antony's is money well spent. I hope you'll feel the same about your pledge.

*Bill*

*The mission of St. Antony's is to be a loving and welcoming people  
who worship God, grow in Christ, and serve others.  
Gather, Grow, and Go!*

## ***Communications Commission***

The news article announcing our new church building project has been accepted by our Diocese. On October 6, 2017 the announcement was made through the "Across the Diocese", Local, National and World News. A copy of that article is posted on our church bulletin board, and is included in this month's Newsletter. (See below)

Our Bishop's Committee is planning ahead now for the time when we all occupy the new church facility on our Field of Dreams. Considering the required Bishop's Visitation event to bless our new sanctuary and in addition, to plan for our first open house reception, a new BC commission has now been established as the Hospitality Commission. It is set up primarily as an ad hoc 2-year (2018 - 2019) commission to plan these two occasions, and to be available to assist other events. I look forward to being part of that Hospitality team as it develops.

### ***FIELD OF DREAMS BECOMES A REALITY***

#### **Episcopal Mission Church Begins Construction**

Located on 7 acres of pastoral farmland in Silverdale, this building site at 11885 Old Frontier Road NW is a field of dreams for Saint Antony Episcopal Church. The new church building is designed to reflect the Northwest style of simplicity and fine architecture. Tall fir trees have been donated and specially milled by a local mill. The timbers and beams have been hand selected to re emerge into the life of the sanctuary and appointed areas about the church. One of the features on the campus of this Northwest style church will be a uniquely designed large timbered, covered, open sided Event Shelter. This will be an original work of art designed by the architect.

The Diocese of Olympia founded and established St. Antony Episcopal Church as a mission church in 1983, and purchased property at 10239 Old Frontier Road NW in Silverdale in 1985 to serve as a place of worship. As the congregation and programs have grown more space is needed. Over the years, the parishioners have been contributing to a designated fund to enable the purchase of new land and new buildings to accommodate their growth and future dreams. Now, after purchasing the beautiful 7-acre parcel and working with Rice Fergus Miller Architects and Westsound Company LLC, the congregants are getting their new church.

The new church building complex is being constructed in two phases. The projected completion time for Phase I is Spring 2018. The progress of construction will be noted on the church website and Facebook page. A public open house will be announced when Phase I is complete.

## Bishop's Warden Musings

As I write this I am sitting on the ferry returning from a Kairos weekend. A song written by Don Moen is running through my memory. It begins

Give thanks with a grateful heart  
Give thanks to the Holy One

I find myself with many things to give thanks for as we approach Thanks-giving. A short list would be  
All the souls who pledged to and those who give to the building fund  
All the souls who contributed to the event shelter  
That concrete has been poured for the new building's footings and the floor, the stem walls and the slab for the event shelter will be poured soon (possibly before these words are in print)  
All those who pledge and those who give so the operations of St. Antony can be planned, budgeted, and funded  
A diocese that has reduced its assessment several times in the last 10 years and still manages to propose a balanced budget to diocesan convention  
All the souls that came to Jesus at Kairos  
The prayer support St. Antony gives to Kairos  
The support (prayer, letters, team members, sponsors, guests) that St. Antony's gives to Cursillo / Come and See...Go and Tell  
The Bishop's Committee  
Our acolytes  
Our clergy (past and present)  
Our missionaries (Leroy and Amanda Ray)  
Our Sunday School

\_\_\_\_\_ what are  
\_\_\_\_\_ you  
\_\_\_\_\_ thankful for?

Happy Thanks - Giving

## Welcoming Committee

The Welcoming Committee met recently to update the informative Welcoming Brochure that describes all our offerings and ministries here at St. Antony's.

We ask that you pick one up and check it out! But more importantly make sure to offer one to any new visitor that comes to St. Antony's. We have had a number of new families and new members over the past few weeks, and this pamphlet is the best way for them to get a better idea of who we are and what we offer.

Thank you,  
Sarah Rogers

## Guest Speaker

### The Rev. Dick Middleton, Speaker

"The Gospel of Thomas"  
7:00 pm, Wednesday, November 15  
in the Parish Hall

The Rev. Middleton is a retired Presbyterian pastor and an expert on the Gnostic Gospels. He'll offer an introduction to the Gospel of Thomas, a literary work about Jesus written around the time of the four Gospels but not included in the Bible.

Come explore this fascinating work with us.

## *Lord's Diner*

It is once again time for St. Antony's to serve at the Lord's Diner. The Lord's Diner is located in the basement of St. Paul's Episcopal Church in Bremerton. The lunchtime meal is served every Saturday and is available to anyone who desires a hot meal.

Volunteers from St. Antony help prepare and serve the food and perform clean up on the second Saturday of every other month. St. Antony is scheduled to perform these services again on **Saturday, November 11, 2017.**

There is a sign-up sheet in the Narthex at St. Antony for anyone interested in volunteering for this worthy cause. The times for the various functions are stated on the sign-up sheet.

If you feel inclined to volunteer, please sign your name on the sign-up sheet as quickly as possible. If you find you cannot work after having signed the sign-up sheet, please call the Church (698-0555) and have our secretary remove your name. Thank you.

We really need your help!

Contact Janet Steller for more information.

## *Moving to the Light: A Veteran's Pilgrimage*

**Saint Mark's Cathedral, Seattle | November 11, 10:00am-12:00pm**

An event focused on veterans, their family members, and those who know and love them to heal from the moral injuries incurred through military service and war. This two-hour pilgrimage provides a time and place to honor friends and family who have served with veterans, a place to lament what they grieve, an opportunity to express what is troubling them, and a safe space with empathetic listeners who love them to help them work on their healing. It is called a pilgrimage because all that walk this way, know this is an ongoing journey.

Bring a token/icon of your service.  
Light lunch will be served.

Please RSVP Deacon Brian Wright:  
deacon@stjohnskirkland.org  
or 206-325-4200 Ext. 3507

## GODLY PLAY LIGHTS US UP WITH WONDER

“Once there was someone who said such amazing things....and did such wonderful things....that people started to follow Him. But they did not know who he was, so one day they asked Him and He said: I AM THE LIGHT”. Using matches to strike the first light with a flourish, our Godly Play story teller (Kathy Little) lit the Christ Light candle and began our first Godly Play Sunday school lesson. If a pin were dropped, it would have been heard. “Those who come near to THE LIGHT can become ONE WITH THE LIGHT.” And then we wondered together about what that means.

The second week, Emily Nickerson was our story teller. Using a large multi-colored puzzle of the Church Year and also a beautiful wall calendar that Emily purchased for us, she told the story of how time in the church wraps around into a circle. With the three BIG weeks of Christmas, Easter and Pentecost clearly displayed on “the clock of the Church Year,” we counted the Sundays leading up to each BIG day. We were so blessed that St. Paul’s Church had TWO Church Calendar puzzles and gifted one to us. Emily refurbished it and repainted all the blocks so it looks brand new and it is now part of our permanent Godly Play collection of materials.

The third Sunday, Mary Zabinski was story teller and retold the story of THE GREAT FAMILY that Father Bill presented at both the 7:30 AM and 9:00 AM Eucharist Services early in September. Mary and Kathy split the cost of our very own DESERT BOX and it has arrived along with 50 pounds of white sand. The mystery of the desert where so many Bible stories take place is present right there in front of the children. The sand shifts and it is hard to know where you are. It can be very hot....and very cold. There is no water. It can be dangerous. This draws the children deeply into the stories and starts them wondering many things. And the children are extra-quiet “because someone may be speaking with God.”

The beautiful, well-made materials we use to tell the stories in Godly Play are very important. Not only are they used by the story teller to tell the story, but they are used by any child who wants to choose them as their “work” for the day. By sitting with the materials and retelling the story by manipulating the parts, the story goes deep into a child’s mind and heart.

We are in the process of collecting these beautiful, well-made materials used in the Godly Play program and we need your help. Starting on Youth Sunday when Aina Zabinski presents the story of THE EXODUS at the 9 AM Eucharist on October 29th, a Harvest Tree will be in the Narthex bearing tags naming items we need for the program. If you are willing and able, please choose a tag and write the number on the tag on the signup list on the table along with your name. Check off that you have written a check for the amount on the tag and placed it in the envelope provided. Some of the items are a bit pricy. Perhaps more than one person could go in together on a larger item like Mary and Kathy did for the desert box. However some of the items might be hand made by someone with a gift for carving, sewing, woodworking, etc. If you would like to make an item instead of purchasing it, please indicate that on the sign-up sheet. Please talk to Mary about needed dimensions, etc.

We are grateful that we can build our Godly Play classroom together. Thank you so very much. Also, we invite others to be a story teller and/or shepherd on our team. Please just let any one of us know! Come visit the classroom after church to tour our Holy Ground.

## ***A Discussion Circle for Folks Living with Unusual Family Members***

Over the past few weeks discussion has come up during Coffee Hour for the need for some of us to gather on a regular basis to discuss our experience with raising children of all ages who do not fit the usual cultural mold. These “children” are different, dearly loved, and gifted and in many ways. They struggle with addictions, autism, mental illness, or other challenges. We struggle to know how to be supportive in healthy way in their lives. If this rings true for you, please read on.

This is an official invitation to begin a discussion circle for members of our St. Antony’s community.... A place where we each can each tell our stories in a healthy, supportive environment among friends and maybe take home some new ideas about how to better manage our own lives and be more wise about how we walk with our “unusual” loved ones. We will work out how to do this together. Norms like confidentiality, speaking from our own experience and not giving advice will hopefully top the list.

Larry and Kathy Little would like to host the first discussion at their home at 7790 NW Wildcat Lake Road, Bremerton 98312. DATE; Saturday, November 18th at 7 PM. Please RSVP to [kathyllynnelittle@gmail.com](mailto:kathyllynnelittle@gmail.com) or call Kathy at 360-649-8970.

## ***Witty Knitters***

You have probably all seen the monthly announcement that Witty Knitters will be meeting at someone’s home. For those who are new or just curious, here are a few facts regarding Witty Knitters.

#1 You don't have to be WITTY to join us!

#2 It is not necessary that you already know how to knit or crochet (yes those one-handed crafty people are welcome). There are a number of us who will be happy to teach or assist.

#3 If you think you are unable to host a gathering at your home, there are others who can do it for you. We usually meet from 11:00am until about 2:00pm, but you may come and go as you please. The hostess provides tea/coffee and a light dessert as a rule, not mandatory.

#4 The items we craft are usually caps/hats, scarves, lap rugs, shawls of all shapes and sizes. These are then distributed to Nursing Homes, Veteran's Homes, Homeless, and any others who might be considered in need. We compile and sort the garments in November; they are blessed at a church service before going out into the community.

#5 YOU ARE WELCOME to come and join us purely for companionship and sharing.

Questions? Please contact Ruth Lindstrum or Janet Steller.  
Thank you.

## ***Deacon Bill Thaete assigned to St. Antony's***

by Bill Fulton

We've been fortunate to have had Bill Thaete as our deacon intern the last few months, and many of us have come to know him and enjoy his warm and pleasant personality.

Bill will be ordained a deacon in Christ's holy catholic church at Diocesan Convention on Saturday, October 28. I'm happy to announce that Bishop Rickel has assigned Bill to serve as deacon at St. Antony's.

I hope you'll especially welcome him on his first Sunday with us on November 5, All Saints' Sunday, as he models a servant ministry as he reads the Gospel, leads the Confession, serves at the table, and pronounces the dismissal. Welcome, Bill!

## *Kairos*

My sincerest thanks for those of you who prayed for Kairos as we took the love of Christ into the prison in Monroe, Washington, this past weekend. Once again, God was incredibly faithful to take our inadequate words and actions and transform men's lives in some very powerful ways. During the talks, times of worship, and hours of small group discussion and prayer, God was on the move among us. Here are some comments shared by the inmates during our closing:

- + "I came here expecting a miracle... and I got one!"
- + "I can't wait to talk to my son [10 years old] who told me about the weekend."
- + "This weekend has opened up my eyes and my heart to a lot of things."
- + "I used to have a mask of anger. God came in and touched my heart."
- + "I have felt more joy in the last two days than in the last two years."
- + "I've been building a wall [around my heart] for 32 years and today that wall started crumbling."
- + "Forgiving myself was the big issue... I feel like my relationship with the Lord has gone much deeper."
- "I'll hold this experience forever in my heart."

During the closing session, inmates were given an opportunity to share their answers to three questions:

**IN WHAT SPIRITUAL CONDITION DID YOU COME TO THE KAIROS WEEKEND?**

Some answers: "Angry.... pessimistic... alone... anxious... uncertain... feeling sad... stressed ... spiritually broken..."

**WHAT DID YOU FIND AT KAIROS?**

"A fire hose of love... brotherhood... God's agape love... community... faith... a beginning walk with Christ... the power of God... God opened our eyes and ears so we could see His power beginning to work through us..."

**WHAT ARE YOU TAKING AWAY FROM THIS WEEKEND?**

"Good friends.... family... friendship.... knowledge... joy... love... hugs... a new born-again life... courage to stay with Christ... a responsibility to take the words of Christ and share them with others..."

Here's how one inmate summarized the weekend: "For the past three days I've felt freedom ... that's what I've been chasing for the past 15 years [in prison]."

On the opening night each person has an opportunity to share why they came to Kairos. Many say that it was the invitation of others in the yard [graduates]. One said that his three-year-old son told him he needed to do something to find Christ. That was seven years ago [and he keeps bringing it up] so he signed up. Now he can't wait until the next time he gets to talk with his son so he can share the love of Christ he experienced in Kairos.

## *2019 Sabbatical Grant Proposal*

The Bishop's Committee has been discussing how we might help Fr. Bill get a sabbatical in the summer of 2019. A sabbatical is a time when clergy step away from their regular duties and engage in a time of reflection and renewal. The sabbatical can be funded by a grant of up to \$50,000 from the Lilly Foundation. The grant would also cover the cost of a supply priest who would function in Bill's absence.

The purpose of the sabbatical would be to help reflect on the transition from our old location to our new church. By the summer of 2019, we will have been in our new church about a year. For Bill, this will be a good time to reflect on the next phase of his ministry at St. Antony's. For the congregation, it's a good time to reflect on the changes we've experienced in our new location.

A small committee is working on the grant application which is due next April. We'll keep you updated with our progress and we'll be asking for your input on the grant proposal.

Thanks,

Gail Ferguson, Charles Smith, and Bill Fulton
