The Rev. Bill Thaete, Deacon

### *Vicar's Voice*

*We adore you, O Christ, and we bless you.  
Because by your holy cross you have redeemed the world.*

These words are the refrain for each of the Way of the Cross that we recite on Good Friday. The Way of the Cross is a mini-pilgrimage that we take as a group, walking slowly from station to station inside the church. We stop at each one to read a scripturally based description of Jesus' suffering in his last hours. We say one of the beautifully written prayers and recite the refrain above together.

It's a profound way to participate in the passion of Jesus. We're fortunate to have strikingly beautiful stations of the cross on our walls. Each one is a small brass sculpture mounted on an oak plaque, depicting one of the moments that Jesus experienced as he carried the cross to Golgotha,

The death and resurrection of Jesus is the central mystery of the Christian faith, and Holy Week is the time we observe this mystery "with great devotion," as the Prayer Book says. Palm Sunday, Maundy Thursday, Good Friday and Easter Day encapsulate the Christian faith in a way that helps connect us to our Savior.

It's been said that each Sunday is a "little Easter," because in the weekly Eucharist we remember Christ's sacrifice on the cross and his resurrection. The bread and wine of the Eucharist are a participation in the Last Supper that we re-enact on Maundy Thursday. So every Sunday we touch base with the events of Holy Week.

This year we will observe the events of Holy Week as we usually do, with Maundy Thursday at 7:00 pm on Thursday, March 29; Good Friday at Noon and 7:00 pm on Friday, March 30, and Easter Day at 7:30 and 9:00 on Sunday, April 1. We'll also have a short Easter sunrise service at our new property at 6:30 am on Easter Day.

I hope you'll participate in all the events of Holy Week as you are able. May this season of Lent and Easter resonate in your heart as you walk with Jesus.

*Bill*

*The mission of St. Antony's is to be a loving and welcoming people  
who worship God, grow in Christ, and serve others.  
Gather, Grow, and Go!*

## *A Bishop's Warden's Fancy*

I want to start by expressing how honored I am to be given this role, especially in such a historic and important year for our church. I hope that I can help guide us through all the transitions to come, as easily as possible. In order to do that I think we need to keep our vision always on the horizon. Moving into our new church building will not be the end of the journey, but a beginning. So, I would like to take a minute at the beginning of my tenure as Bishop's Warden to talk about all the new beginnings we can look forward to.

With the occupancy of a new building we can obviously look forward to new physical things, like new kitchen appliances, new light switches to decipher and a new and glorious sanctuary with new alter furnishings. But there will be other new projects to tackle, for example I expect the alter guild will need to recruit help from all the talented seamstresses out there to create new liturgical wall hangings. Should we create an Eden Guild to help maintain the landscaping and memorial garden? How will we manage the Event Shelter we want to offer out to the community?

But what I think about most might be some of the more immaterial new things we might encounter. The architect has provided us with a concept of how to set up the church and the chapel spaces, but how will we utilize them and make them our own? How will our processional and recessional march work? How will we incorporate visitors to our new space into our church family? I believe we need to begin with patience, understanding and open-mindedness. This will be a time of trial, and perhaps error, until we decide as a community what works best for us. But frankly, I am looking forward to the journey!

While we are all enjoying and adapting to our new space we will also need to assemble a group to discern how to proceed with Phase 2 of development. We knew going into this project it would be (at least) a two-phase project, and now is the time to keep the forward momentum moving. So, I ask anyone who would like to begin the process of discernment regarding Phase 2 to please speak to one of the Wardens so a group can be formed.

There is so much excitement building surrounding our new church that I want to harness it and make sure that no one's ideas fall to the wayside. There is an abundance of time and talent in this congregation and I hope everyone knows that there is a place for your vision here at St. Antony's. So I ask all of you: What will this time of new beginnings allow us to do that we may never have even considered before? Speak up! - the entire Bishop's Committee welcomes and awaits your ideas.

Graciously,  
Sarah Rogers, Bishop's Warden

## *Easter Egg Hunt*

The annual Easter egg hunt will be co-sponsored by the youth groups of St. Antony's and New Fellowship Churches this year. Once again we will be hiding plastic eggs filled with candy. We need your help. We need you to bring your kids, grandkids, nieces, nephews, friends, Easter basket and your camera.

The festivities will occur between services or approximately 10:15 AM on Easter Day, 1 April 2018.

Don't forget: bring your youth, Easter basket, and your camera.

Charles Smith

## *Hospitality Commission*

The plans are evolving for our June 21st church consecration and it will be a precious time for those who can attend. Three days later on June 24th will be our regular church Fifth Sunday after Pentecost service. It is also a commemoration of The Nativity of John the Baptist. We will, also, continue our celebration of the consecration of our new church with a festive coffee hour reception following the Sunday service. This gives us another opportunity to celebrate the new church if we are unable to attend the June 21st evening event.

More announcements are to come.

Tovi Andrews, BC Commissioner

It may be Lent, but Easter is coming! We have an opportunity. Oh, stop cringing, this is an opportunity to act on the scripture found in Matthew 25:31-46. Last month I mentioned that some of us are preparing to share the Gospel with those in prison. There are many ways to do this. A few of us are part of the team for Kairos 62. Others are part of other prison ministries. Some are acting on verse 36c and visiting those in prison by coming to the closing ceremony for Kairos. However, there are other ways, ways that don't involve entering the prison.

#### Agape

This comes in several forms. Personal agape is hand written letters of encouragement to the 42 participants. Typically the letter begins 'Dear Brother in Christ'. All 42 letters are hand written, no copies, because of the powerful message of love it sends to receive an original, hand written letter. Please sign each letter with only your first name, and put each letter in its own envelope, but do not seal them - prison security reviews them. These can be given to me; Charles Smith and I will turn them in along with my own letters. I am making this part of my Lenten observance; which works for me because there are 40 days in Lent (not counting Sundays) and the goal is 42 letters. I turn the letters in April 7 (the first Saturday after Easter day).

Wall agape is a poster that encourages participants new to the Gospel, and those returning to the word of Christ after straying, to trust God. It can be a sheet of paper or poster paper. It should identify where it is from (St. Antony's) and something encouraging. Those with artwork receive the most attention - it can be drawing around hands that touch to something showing more artistic talent. A few posters come from individuals, but most come from groups (Sunday School classes, Bible Study groups, or entire parishes). Signing is encouraged; however, first names only.

Green agape is financial support. This can be sent via St. Antony's with the memo line marked "Kairos". This allows us to cover the cost of all the materials used during the weekend (April 19-22).

#### Prayer

Each Kairos weekend runs on prayer. We have a prayer support team that prays over each speaker before and again after their talk or meditation. This team also prays over every prayer request they receive (regardless of whether it comes from a team member or a participant) throughout the weekend. There is also a prayer vigil. These are people outside the prison who select a time to pray for the program, the participants, the institution, and the team. These prayers are offered from wherever they happen to be at the time they selected. Our goal is to cover the entire 4 days in prayer. I hope you will help with a piece of that. The prayer vigil sign-up will be available in the Narthex from mid-March until Sunday April 15.

Charles Smith

## *Lenten Contemplative Services*

For the enrichment of our Lenten observances, St. Antony's will again be offering an introspective Contemplative Service each Sunday evening at 4 o'clock in the sanctuary. This is a wonderful way to begin each week by getting in touch with the Divine Spirit that dwells within each of us.

Before the service begins, it has been our custom to come in and sit quietly for a few moments. You may wish to use this time to silently consider what your intentions are as you pass through this solemn season of self reflection.

With the ringing of the 'singing bowl', everyone is invited to participate in such ancient and beautiful practices that include chanting, deep listening to Divine Scripture (Lectio Divina), Centering Prayer and a group led Body Prayer... all of which have been designed by our forefathers to engage our minds and bodies together with the Holy Spirit.

At the end of the service there will be an optional time for reflection and sharing with the group.

This is an ecumenical service to which everyone is welcome!

Namaste with love,  
Carolyn Sorrell

**St. A's Outreach** - "Coordinates and executes the sharing of our resources with the community. Educates our Communicants as to existing needs, encourages personal participation in community and Church Outreach programs, and obtains and distributes funds as needs arise."

Pretty cool words huh? In line with the mission statement above, everyone will see some new methodology to support the outreach:

First you will see a new notebook out in the Narthex it will contain a brief description of the Outreach Program and a Committee member list,

Second, there will be a list of organizations in the Kitsap county area that you can support with your own time and talent,

Third, a section that shows what your committee has done to support the community,

Finally, but by far the most important change, is a section that contains forms for you to bring your ideas for the congregation to support community outreach; just fill out the form and place it in the pocket in the notebook or give it to a Outreach Committee member. Each month the committee will highlight a local service organization in this Article to raise awareness.

The Outreach committee members are stewards of your Outreach Program. If you're not involved please become involved. We need your ideas and participation! The committee meets the first Monday of the month at 3:30 and at 7:00 at the Church; the late meeting is to support people who can't attend during the day.

My religion is very simple. My religion is kindness.

## *Parish Life*

I began attending St. Antony's church in the Fall of 2015. From the beginning, I enjoyed the warmth and welcoming nature I found at St. Antony. I have served on the Bishop's Committee for two of a three year term, and have accepted the Parish Life Commission for the year 2018. I find Parish Life to be another extension of the caring and compassionate spirit found at St. Antony and it is my pleasure to serve this commission.

As a new member of this commission, I find it useful to review the responsibilities of Parish Life. Those include:

- Coordinates and provides information about parish social activities.
- Parish Life also coordinates the provision of lay pastoral care through.
- Lay Eucharist Visits available to provide the Eucharist to homebound parishioners.
- Pastoral Care Team offering care calls, visits, meals and/or transportation assistance.

It is my most sincere hope that I will be able to follow through on these responsibilities through the next year, which is shaping up to be eventful. Please feel free to contact me with any concerns or feedback you may have.

Beth Rohlfig

## *Communications* by Heather Carnocki

**Volunteering and 2018 Bishop's Committee** - It is definitely a busy time at St. A's and it will take everyone's time, talent and service to make the transition to the new church smooth. Please look at the list of 2018 Bishop's Committee Commissions representative (bottom of this article). Use this list to determine where you think you might be able to help, and then contact the appropriate person. It is a rich experience to spend time with fellow parishioners and nurture our church family.

**Chairs** - St. Antonys' will have our chairs reupholstered by a professional upholster. The general game plan is:

- St Antony's members will disassemble the chairs (remove backs, seats and kneeling pads for 100 chairs).
- Move disassembled chairs to a professional upholsterer.
- The upholsterer will add new foam, new fabric and staple it in place.
- St. Antony's member will reassemble the chairs and take them to the new church.

**Bishop's Consecration, 21 June 2018 & Open House** - Please mark your calendars for **21 June 2018**, the Bishop's Consecration. There will also be an open house to invite people to come 'check-out' the church (date is to be determined, will be after the Consecration).

## Finance & Stewardship

Ever find yourself at church wanting to make a contribution, but you forgot to go by the ATM and left your checkbook at home? Not to worry, St Antony's has joined the mobile app generation! The Give+ app for mobile devices, available for free in the Apple Store and Google Play, allows you to donate from your smartphone to St. Antony's (or other member congregations).

If you haven't turned in a pledge card for this year yet, please do so, so you can receive the envelopes for giving. Each set includes envelopes to celebrate special holidays like Easter, Thanksgiving, Christmas and even birthdays. These are intended for donations 'above and beyond' your normal pledge. At the recent Bishop's Committee Retreat, it was decided this year we will designate these envelopes for donating to a specific cause. Be on the lookout for the announcement of the first great cause soon!

Jim Foley, Finance & Stewardship Commissioner
