

**BISHOP COMMITTEE REPORTS**  
**July 2018**

**VICAR'S REPORT – Rev. Bill Fulton**

July 19, 2018

**Delay in building schedule**

Our contractor is unable to give us a building schedule because his subcontractors are so busy they can't commit to any time frame. I emailed the Bishop to postpone the consecration date indefinitely. I know everyone is frustrated by the delays but they are simply beyond our control.

**Moving offices**

New Fellowship Church would like to have the Secretary's Office emptied so they can re-carpet it and move their office in. I have moved the necessities for my office to the modular and we will move Linda's office to the basement tomorrow.

**Termination of nursery care worker**

After consultation with those involved with the nursery, we had to let one of our workers go. I called her and gave the reasons for our decision and followed up with an email. She missed many Sundays, often without notifying us, she was often late, and she made no effort to take the Safeguarding God's Children training. We have volunteers filling in for the time being, and we'll hire another person later this summer.

**Use of space in new building**

The large gathering room in the new building will have a number of claims for its use, including the choir, Godly Play, library, and meeting room. We'll have a presentation by the Godly Play team at our meeting about the use of the room because they will need space for their classroom.

**Altar and furnishings for new church**

The Memorial Committee increased the recommended amount from \$6,000 to \$7,000 to spend for the new altar and furnishings because the estimate for the metal work came in much higher than expected. I'd like a motion to approve this expenditure.

**Barn cleaned**

My thanks to Jackie Vincent for cleaning up the barn and taking a huge load of garbage to the dump.

**New renters**

Thanks to the work of David Sorrell and many others, we have renters as of July 1.

## **Piano**

We have signed a contract to purchase the piano from Portland Piano Company and they have the piano in storage for us.

## **Bishop Curry's Sermon at the Cathedral**

About ten of us from St. Antony's attended the Evensong service at St. Mark's Cathedral on June 14 when Presiding Bishop Curry preached. His sermon was inspiring and energizing. I hope to use some of the materials on evangelism that the Presiding Bishop is making available.

## **BISHOP WARDEN – Sarah Rogers**

No Report.

## **PEOPLES' WARDEN - Heather Carnocki**

No Report.

## **NEW FACILITIES – John Stockwell**

July 8, 2018

Dear Members and Friends of St. Antony's,

I send you greetings from the New Facilities Committee. The excitement of the new building grows with each day's work. The completed roof and the start of the placement of the siding really add a reality to the project moving toward completion. As a congregation we have observed the completion date be adjusted. This has caused rescheduling of important happenings for the opening service and Consecration of the new building. Again, we are faced with a challenge not brought of by permits, inspections or framing. The whole issue comes down to availability of products to complete specific installations in the building. Associated with that issue is the availability of the craft workers to complete those tasks. Kitsap County construction is so busy currently that the workers are spread thinly across many projects. Materials are not readily available. Our Contractor is waiting for doors to be delivered so that the siding may be completed. Also waiting for the large window for the east side of the building (altar area) and two windows that install over by the church office area. Just recently the fire sprinkler company began the installation, but they only had one person to provide to the job. The electrical work has not started due to availability of electricians. As you can see this has caused significant delays to our project. At this point in time there is no firm completion date. But I can assure you that our contractor and his workers are doing their best to stay busy. They have moved their efforts to work on the Event Shelter. If you have visited the property lately the progress is very evident.

I will do my best to keep you informed of progress and when we may expect to have occupancy.

## **OUTREACH – Blaine Morgan**

No report.

## **PARISH LIFE – Beth Rohlfig**

The Pastoral Care Team met on July 14.

Care Cards were sent to John Stockwell, Mac Mackimmie, Carolyn Segrist, and the family of Gloria Christie.

Care calls/visits are being provided for David and Vivian Durfee, Eleanor Brooks, Joan Willoughby, Carolyn Segrist, Pater and Mardi Dawson, Caroline and Bob Hoag, and Nick Nickerson.

Lay Eucharist Visits are ongoing for David and Vivian Durfee, Herb Hammond, Eleanor Brooks, Nick Nickerson, Nellie Peterson, Peter and Mardi Dawson.

The Pastoral Care Team will meet next on August 25 at 11am in the parish hall.

## **ENVIRONMENT – David Wilkinson**

As of July 7<sup>th</sup>, the cost for 69 of the 87 hymnals and prayer books has been covered by gifts from the church family. Since there is no hurry to close out the call for gifting of these items, we will continue to put the notice in the bulletin.

In the next few weeks, I will be handing out a letter to all the current donors. The letter will contain the message that will be on the bookplate, the name of the individual(s) being remembered by the donor, and the name of the donor(s). Hopefully, this will allow any typos to be discovered or other issues resolved before the printing and affixing of the bookplate to a book.

## **HOSPITALITY – Tovi Andrews**

No Report.

## **COMMUNICATIONS – Heather Carnocki**

No Report.

## **WELCOMING – Olivia Stalter**

No report.

## **STEWARDSHIP AND FINANCE – Jim Foley**

At the midpoint of the year, we are in the black by \$3,619.52, when we were budgeted to be in the red by (\$5,831.08). This despite a poor showing in June, with income about \$2,000 below budget at \$12,099.77 and expenses about \$1,000 below budget at \$20,988.91. We were

budgeted to be in the red in June, but wound up \$1,000 further in the red for the month, due in large part to the expense of \$3,500 to replace the chairs for New Fellowship as agreed in the sale.

We received the check from the DIF Building Fund for \$697,894.17, of which just over \$500,000 remains after paying the July bill from the contractor. I requested \$47,662 in funds be withdrawn from the Memorial Fund, to cover all the various projects approved in prior meetings.

Thanks,  
Jim
