The meeting convened with prayer at 11:43 am.

There was discussion about moving from the current church building into the house on the new property. It was moved, seconded, and passed to rescind the motion that was passed at the February 11, 2017 Bishop's Committee meeting stating that St. Antony's would notify the tenants in the rental house to move out by April 1, 2017. It was decided the congregation would continue to hold services in the current building until St. Antony's new building is ready for occupancy. Bill Fulton, David Sorrell, John Stockwell, and Charles Smith will meet with New Fellowship Church on March 2, 2017. After the meeting, Bill Fulton will explain to the congregation the new arrangements with New Fellowship Church that will take place after April 1, 2017.

The meeting was adjourned at 12:25 pm.

Respectfully Submitted,

Gail Campbell-Ferguson  
Clerk
