### *Vicar's Voice*

Last week I spent five days backpacking up the Hoh River in Olympic National Park. The scenery was magnificent: enormous towering trees, the broad sweeping river, vast glaciated valleys, jewel-like alpine lakes, abundant wildlife, trails created by geniuses, and the looming presence of Mt. Olympus and its mantle of glaciers whenever you're high enough to see it.

When I go up into Olympic National Park, I find it a source of refreshment and renewal. My soul is revived because I'm surrounded by the wonders of God's creation. It's just natural to slip into prayer as you're walking along, because God's presence is everywhere. "This is my Father's world, and to my listening ears, all nature sings, and round me rings the music of the spheres."

Everyone needs spiritual renewal, and the beauty of the parks is one of the best ways I know to find renewal. When Henry David Thoreau said, "In wildness is the salvation of the world," I think what he meant was that our souls need the quietness of the natural world and the mystery and wonder that we find in solitude. It returns us to our original source of peace, the peace of God.

This year is the 100th anniversary of the National Park system, a true national treasure. Our ancestors had the foresight to set aside pristine areas for the enjoyment of future generations, and I'm thankful they did. Our national parks are available for everyone to visit and learn from, and millions take advantage of this privilege every year.

The parks remind us of the bounty we enjoy, the vast wealth of natural resources and beauty that we've been given stewardship over. Our national park system is severely underfunded with a huge backlog of deferred maintenance. I hope that Congress will see fit to restore the funding needed to preserve our parks and make them accessible for future generations. And I hope that you will have a chance to enjoy our national treasures this fall and find God's glory in them.

## Faith Formation

We will be working together with New Fellowship Church to offer a Vacation Bible School (VBS) program this year. I am looking for volunteers to help with some of the age groups or, if you prefer, an activity station for a couple of hours. Two people have expressed interest. Please join us.

## Update on Barn Sale, 2016

The final tally of funds received at this year's Barn Sale is \$2203.00.

I'd really like to thank all who worked so hard to make it a success:

- The Men's Group who handled refreshments
- Those who sold baked goods at the Bake Sale
- Everyone who sold or packaged items, priced or "monitored" in the Boutique
- And the workers pricing, sorting, and selling in the barn itself.

THANK YOU!

Penny Whitney

## Kairos 59

Please give consideration to supporting the upcoming Kairos weekend by praying for the candidates and team during the Kairos event. A signup sheet will be available in the Narthex through October 9th. A half sheet of prayer suggestions will be made available at the same time.

Related notes:

Kairos is an ecumenical prison ministry in which the Episcopal Church participates. Charles Smith will be representing St. Antony's on the team for Kairos 59 at Monroe.

The weekend is April 13-16.

Prayer can be offered from wherever you are.

First name is sufficient on the sign up. It is used to show the candidates that the church is bigger than those in the room and that we care about finding and being known by Christ. Our goal is to cover the entire weekend in prayer.

Please see Charles Smith for more information.

## People's Warden

I think we had a great ground breaking and look forward to what comes next. While we are waiting, be sure to check out all the pictures that were taken and submitted for posting. If you have pictures that need to be added, please send them to: [stantonysilverdale@gmail.com](mailto:stantonysilverdale@gmail.com).

## *Communications input*

Recently, the term "Community" has been appearing quite a lot in our lives:

\*\*\* The St. Antony community met on Sunday August 14 to worship at our new property and to break ground for the new church.

\*\*\* Many from the St. Antony's community were together for the Barn Sale: setting up, participating, and welcoming our "customers" from the broader Silverdale community.

The prefix part of the term communications is community, which is one of St. Antony's hallmark traits.

The scriptures are full of examples of community in action, just like here at St. Antony.

Hebrews 10:24-35:

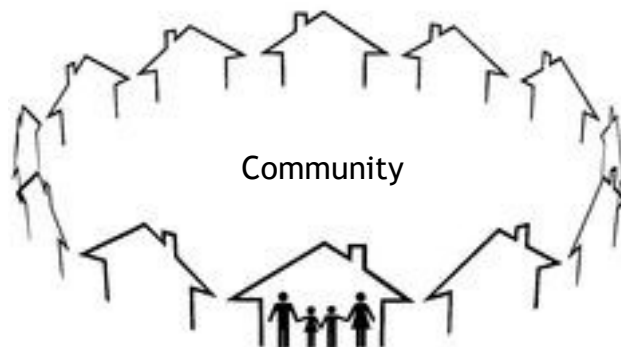

*And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.*

Acts 2:46 -47:

*Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.*

As summer fades and Autumn approaches, let us always remember we have abundant joy in being together in our community.

Regards, Bill Demmon  
Communications.

## ***Worship, Music and Liturgy - Picnic Service and Groundbreaking Event***

On August 14th, we again had a wonderfully successful joint Outdoor Worship Service with our sisters and brothers from New Fellowship Church in conjunction with our Annual Picnic. It was a beautiful day with cool and glorious sunny weather for our worship; and this year we were also able to process together directly from the Service - across the field to where the new Church Building will be - for an inspiring Groundbreaking event. The Building committee provide gold painted shovels of all sizes, and had tilled and prepared the soil so that everyone - including the children - could take a shovel and help "Break the Ground" where the building process will shortly begin. The short Groundbreaking Service included words from our Architect Steve Rice and Father Bill, as well as appropriate bible verses, and the singing of the hymn "There's a Voice in the Wilderness"; including our special added verse celebrating the coming church in our Field of Dreams. Finally came the picnic together under our shelter tents. Thanks to the many who made this special day happen; especially Loretta and Carrie for the picnic preps and John and Tovi who set up the Groundbreaking event.
