Vicar's Voice

Last week ten of us went to St. Mark's Cathedral in Seattle to see the Presiding Bishop of the Episcopal Church, the Most Rev. Michael Curry. He gave a burning-down-the-barn sermon, "Love can change the world."

Bishop Curry is African-American and preaches in the best of the black tradition. His sermon was animated and energetic. His voice ranged from a whisper to a shout, sometimes emanating in a low growl or a humorous aside.

He told the story of the Good Samaritan by striding vigorously across the stage for each of the characters. He roamed across the chancel and came down into the aisle among the pews when he wanted to make a point. He was magnificent!

Last Wednesday another nine of us gathered in the parish hall to view the sermon on video. In the discussion that followed, we shared our impressions of the sermon and Bishop Curry. As everyone in the world seems to know, he gave the sermon at the royal wedding of Prince Harry and Meghan Markles. Bishop Curry has become a religious rock star!

He has brought a new energy and a new vision to the Episcopal Church. After years of divisiveness and bad press, we are seeing a new spirit in the Church. Bishop Curry repeatedly emphasizes that we are part of the "Jesus Movement." If it doesn't reflect the love and values of Jesus, he says, it's not Christian.

Bishop Curry encapsulates the Christian message this way: it is "Loving, Liberating, and Life-Giving." With this phrase, he captures the compassion of Jesus, the social justice we are called to, and the positive, healing mission of the Church. Bishop Curry is our best evangelist, and just at the right time.

I'm inspired by the leadership of our Presiding Bishop, and I hope you will be, too. A new Spirit is moving in the Episcopal Church, and I can't wait to see what God will do with us.

*The mission of St. Antony's is to be a loving and welcoming people
who worship God, grow in Christ, and serve others.
Gather, Grow, and Go!*

A Bishop's Warden's Fancy

As we move ever closer to our move in date in early August there are two big ideas we need to think about; saying goodbye and looking towards the future. We are all very excited for the new possibilities the new building holds. But I believe it is important to take a moment to reflect on all the momentous occasions we have shared together in our current church building. Therefore, we are planning a final Remembrance Service to say goodbye to the church that has been our family's home for the past 30+ years. A midweek time of reflection and celebration as we celebrate our final service in the church. Now I can't give you an exact date for this service yet, as we will need the all clear from the contractor and the county, but plan on attending this final service the first part of August. This Remembrance Service will serve as the very last time any of us will be in the building and we will move the sanctuary candle at that time to the new building. So many exciting things to come....

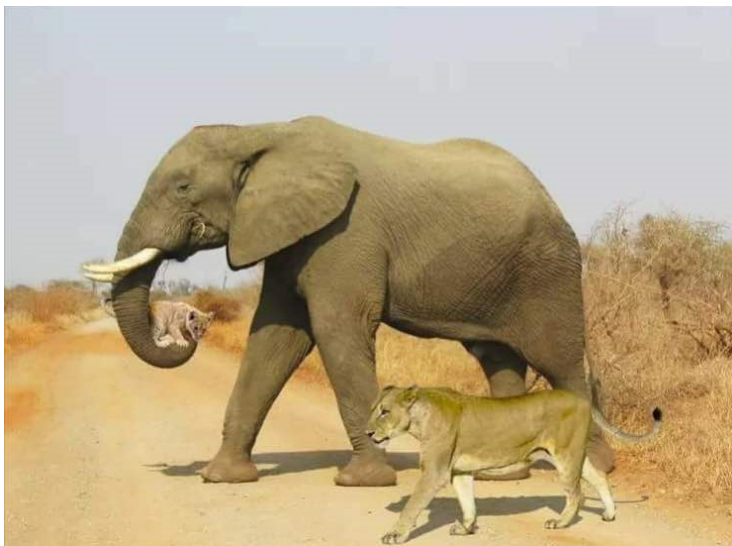

As we look toward the future in our new church there are some new items we will need along the way. A registry is being compiled to collect small donated items. The registry will serve as a way to make sure items are not only cohesive, but pre-approved by the Bishops Committee. (All gifts to the church must be voted on and approved by the BC, per our canon.) Some items we might need for our new space can vary from something as small as safety electrical outlet covers, to something as grand as bookcases, to a bistro set for eating al fresco in our new courtyard. Stay tuned for more details about the registry and how you can help.

Transitioning Together

We humans could learn so much from other animals.

S.A..Kruger National park; elephant helps lion cub after she and her mom got tired walking for miles to a water hole. The elephant- from nowhere- came out of the Bush and carried the lion cub for more than 2 miles to the nearest water spot. Nature is just awesome.

Outreach

This month the outreach committee discussed and voted to support:

The committee is looking for ways to support the Mission to Seafarers; Mission to Seafarers works in over 200 ports in 50 countries caring for seafarers of all ranks, nationalities and beliefs. Through the global network of chaplains, staff and volunteers offer practical, emotional and spiritual support to seafarers through ship visits, drop-in seafarers' centers and a range of welfare and emergency support services.

The committee voted to provide \$300 dollars to Habitat for Humanity and \$300 to Abraham's House.

Habitat for humanity supports People in your community to build or improve a place they can call home. As part of their willingness to partner, Habitat's homebuyers invest hundreds of hours of their own labor, working alongside volunteers. Neither race nor religion is a factor in choosing Habitat's homeowners. Each local Habitat's family selection committee selects homeowners based on three criteria: The applicant's level of need, Their willingness to partner with Habitat and their ability to repay a mortgage through an affordable payment plan.

Abraham's House gives away donations free of charge, beds of all sizes, household items, clothing, decor, furniture, and electronics. They provide these items through Saturday give-aways, veterans give-aways, Christmas presents for local nursing homes, Christmas children's toy drives, back-to-school drives and give-aways, festivals of giving for local Indian reservations, trucker appreciations give-aways, assistance to foster parents, assistance to drug and alcohol recovery clients, victims of domestic violence and disaster relief (flood, fires, natural disasters).

The next In-gathering Sunday will be on July 1st. On this day we support the needs of the Central Kitsap Food Bank by donating food to them. Please open your hearts and pantry's and support this by bringing a food donation to the 7:30 or 9:00 service.

Please take the time to look at the outreach binder in the Narthex. It contains a brief description of the Outreach Program and a Committee member list, a list of organizations in the Kitsap county area that you can support with your own time and talent, a section that shows what your committee has done to support the community, and a section that contain forms for you to bring your ideas for the congregation to support community outreach; just fill out the form and place it in the pocket in the note book or give it to a Outreach Committee member

The next Outreach committee meeting is Monday, August 6th at 3:30 everyone is invited to attend.

All are Invited to Sing in the Choir for the Consecration of the New Church Building

All are youth and adults invited to sing in the choir for the consecration of the new church building.

Rehearsal plans have changed. Choir will NOT be rehearsing on Sundays during the months of July and August. Instead, a special rehearsal or two will be announced via email message as the time draws nearer to the service. If you have any questions or if you would like to be added to the email list for choir members, please contact Joann Richardson at: organistjoann@gmail.com.

New Facilities Committee

So much progress has occurred in the last 30 days of construction. The roof has been completed, the windows have been installed and the siding is being placed. Inside the new building the HVAC units are being placed and the ductwork installed. The plumbers have been busy doing the above slab piping and getting ready for their final trim after sheet rock and painting. In the month of July, the electricians will be wiring the building and the data cabling and sound system will be roughed in. Then sheet rock and interior paint.

These are very busy times for all the trades working in the Kitsap County area and it has been a challenge to get the workers on site that are spread so thin across so many projects. Scott Simpson the construction site supervisor has worked diligently to keep the construction moving forward. Stay tuned for more updates as we get closer to the time when we can occupy the new church.

Stewardship & Finance

I'm grateful and proud to belong to such a generous congregation. We donated \$500 to Ahli Arab Hospital, while raising funds to spruce up the rental house, AND fund new prayer books, hymnals, and furnishings for the new church.

As our journey constructing the new church is drawing to a close, our financial journey to pay for it continues. At the annual meeting, I was guardedly optimistic about our ability to pay for the church, projecting at that time we would be able to pay for everything with the funds in hand and lined up in the form of grants and loans. Since then, the stock market dipped and there have been some high unexpected and unbudgeted costs, including over \$80,000 to hook up utilities.

As it stands now, we will be looking to carry a \$500,000 mortgage on the church. Which will be easier to afford with the increased revenue from the rental house.

THANK YOU!

-Jim Foley

People's Warden

Vision - I think everyone at St. Antony's is very excited to move into the new church building. The new building looks GLORIOUS - the roof line, the steeple, the front entrance, etc. Have you started to think about what it will be like to worship in the new church? What is your vision for how the service will be conducted? How the outdoor space will be used? How will we honor God in our new building? We will have the opportunity to discern the vision for the future soon - it is time to start thinking about your *ideas* and how you would like to *contribute your time and talent*.

Ahli Arab Hospital - St. Antony's donated \$500 to the Friends of the Episcopal Diocese of Jerusalem for the Ahli Arab Hospital Fund. Thank you for your generous donations!

Mutual Ministry Review (MMR) - The annual MMR will take place later than normal this year (~September/October) due to moving into the new church building. The MMR will give parishioners an opportunity to provide feedback to the Vicar and the Bishop's Committee.

Important Dates - Please make sure to add the Consecration Service (22 August) and Open House (22 September) to your calendars.

People's Warden & Communications Commissioner
