## Vicar's Voice

As the completion of our new building approaches, we're eagerly anticipating what it will be like in our new facility. What will the parking be like? What will it feel like when we enter the front door? How will the chairs be arranged in the nave? It's exciting to think about.

The Bishop's Committee is also pondering other unknowns, such as the cost of utilities in the new building. Undoubtedly there will be some efficiencies in using the latest technology, but the fact is that a larger facility will probably cost more to heat, clean and protect than our current facility. And most likely there will be costs for things we hadn't anticipated. In addition, we will be carrying a mortgage that will add to our overall budget.

So our pledge campaign this fall takes on some urgency as we strive to plan our budget for next year. I have no doubt that we will rise to the occasion, but this year especially we need to focus on our projected income and expenses.

In order to get started on our pledge campaign, we're having a Kickoff Celebration on Wednesday, October 17. We'll start at 6:00 pm with some relaxed social time with beverages and light snacks, followed by one of Jim Foley's crisp, informative presentations on the proposed budget. As always, Jim crunches a complex budget into bite-size pieces that we can all take in.

I hope you'll consider coming to this event and I hope you'll think about making a pledge to St. Antony's for 2018. By prayerfully filling out a pledge card with your best estimate on your giving for next year, you will help us make our budget as realistic as possible.

The standard of giving in the Episcopal Church, as defined by General Convention, is the tithe, ten percent of one's income. For many people that's not possible, but it's healthy to work towards it. I had to work up to a tithe over many years, but this year I am giving \$512 a month for my pledge and \$120 a month to the building fund, which adds up to ten per cent of my monthly income. I will increase my pledge for next year for any additional amount I receive.

May God bless our work together as a church family and provide us with the means to carry out our mission: "Gather, Grow, and Go!."

*The mission of St. Antony's is to be a loving and welcoming people  
who worship God, grow in Christ, and serve others.  
Gather, Grow, and Go!*

## *New facilities*

Every time I visit the new church building I am impressed with the work completed and at the same time frustrated with the delays that have occurred. At a recent meeting with the contractor I received an updated construction schedule. In the next few weeks many activities will happen that will show real progress. All the utilities are facilitated and or installed. The doors are finally going to arrive and that will allow the siding to be completed. The electrical work has begun. The entry sidewalks have been poured. Work to finish the parking areas will begin soon. And very exciting is the completion of the Event Shelter. Wow it is fantastic! The roofing should be completed by the time you are reading this note. There are so many opportunities for using the Event Shelter. Please share your ideas for using the shelter. I am happy the Peter Stockwell is sharing the photos of the church in weekly Happenings. It allows everyone to see the new building even if you can't actually visit the site.

I will try to keep you updated and the work progresses.

John Stockwell

## *Outreach*

The Outreach Committee provided Back packs to Woodland And Armin Jay Schools

The committee voted to provide \$200.00 to Kitsap Community Resources Energy Assistance Program.

The Kitsap Community Resources Energy Assistance Program assists income-eligible renters and homeowners by providing financial assistance to pay their electric, natural gas, and heating bills.

The congregation provided 753 Lbs. of food to the CK Food Bank in September next food drive is October 7th.

This is the time of year to reduce some of your unneeded clothes for adults and children. The Outreach committee would like to suggest you donate the items to Stand-up for Kids (children and teens who are homeless) and "Priscilla's pants" (not just pants), now run by Chelsea. In need for the cooler temps arriving would be coats, boots, sweaters, sweatshirts, pants, hats, gloves, etc. Containers for both charities can be found in the Narthex.

Blaine Morgan  
Outreach Commissioner

## *Making the Fiscal Dream a Reality*

The autumnal equinox is one of my favorite times of the year. It brings a change in seasons that is spectacular to watch, with all the varied colors of the leaves. It's when farmers harvest their crops and ready their fields for the next year.

Similarly, it is time for our church to begin it's stewardship drive and prepare for the coming fiscal year. This year brings exciting change as we prepare to move into our new church building and property. But, it will not be without a different set of financial and participation challenges.

To better assist with our stewardship drive, and to update everyone on our financial position and future, the Bishop's Committee and I feel it best to give the annual Treasurer's Report now, rather than wait for the annual meeting. Please join us Wednesday, October 17 at 7pm for a presentation and discussion about our fiscal future, stewardship, and time & talent opportunities in the new church. There will be a social hour in the parish hall prior to the meeting starting at 6pm.

I look forward to seeing you there!

Jim Foley  
St Antony's Treasurer

International**

Thank you to everyone who has signed up to support Kairos through the prayer vigil.

If you have not signed up yet, there is still time. Here is a little more information. Each Kairos weekend runs on prayer. We have a prayer support team that prays over each speaker before and again after their talk or meditation. This team also prays over every prayer request they receive (regardless of whether it comes from a team member or a participant) throughout the weekend. There is also a prayer vigil. These are people outside the prison who select a time to pray for the program, the participants, the institution, and the team. These prayers are offered from wherever they happen to be at the time they selected. Our goal is to cover the entire 4 days in prayer. I hope you will help. The prayer vigil sign-up will be available in the Narthex from Labor Day until Sunday October 14.

## ***From the Altar/Flower Guild:***

You have always been generous in providing us with the money we need for Altar Flowers and Sanctuary lamps. I would like, however, to draw your attention to the fact that we have no sign-ups for Altar flowers for October and few thereafter. We thought that may be it would be helpful for those who are not familiar with our sign-up procedure to explain how we handle this.

As you enter the Narthex, you will find to your left a lectern with not only the Prayer request sheet but also an attractive three ring binder. Inside you will see the Altar flower monthly calendar, put your name and occasion down for the date you would like to reserve and follow the simple instructions in the inside cover of this binder. The envelopes you will use to put your check are in there too. Finally, please place the envelope in the offering plate. The second half of the binder has the calendar for Sanctuary Lamps. The cost for the Sanctuary lamps is \$10.00. The suggested amount for Altar flowers is \$40.00. Our flower ministry means a lot!

Thank you very much.

# God's Garden ...

## An Update on the Journey

Over August and September, three meetings were held to discuss God's Garden. This is only a temporary name but allowed the groups to broaden their creative thoughts beyond 'memorial garden.' Although many concerns and issues were discussed and captured for future planning, the main drive of the meetings was to explore how the garden could be used by Saint Antony's church family and surrounding community. This is the list of usage ideas developed:

Quiet Meditation	Communing with God
Seeking Peace & Tranquility	Remembrance of People
Remembrance of Church Journey	Feel God's Love in Nature
To Smile & Feel Gratitude	Interment of Ashes
Weddings & Marriage Renewals	Funerals
Baptisms	Stations of the Cross
Blessing of the Animals	Wednesday Eucharist
Lighting of Pascal Fire & Candle	Contemplative Prayer Service
Palm Sunday Procession	Growing Altar Flowers
Committee Meetings	Church Socials
Support Seeds of Grace Program	Maundy Thursday service – after altar is cleared, process to garden, symbolic of Jesus' journey to the Garden of Gethsemane

These ideas are exciting and would make God's Garden an integral part of our worship, fellowship, and growth in Christ. While exciting, a garden of this purposeful flexibility would require support from the church family. No matter how carefully it is designed, it would necessitate the sweat equity of our people to maintain.

The next step in God's Garden journey is to quantify the support that could be expected in the maintenance of the garden. This understanding will allow us to scale the size and use of the garden, and, I believe, discern God's will in this endeavor. To accomplish gaining this understanding, a questionnaire will be distributed to the congregation in October. The questionnaire will ask you to examine your feelings, provide feedback, and, if possible commit time to the garden.

*John Muir, Environmentalist*

As the emphasis on lay ministry has grown, lay people often face the difficult task of figuring out how their spiritual gifts can be of use in their faith community. Education for Ministry (EfM) provides an opportunity to explore theology and church history as well as closely study the Old and New Testaments in a small seminar environment. We also focus on the art of theological reflection, a discernment tool which draws from our life experiences as well as our culture and our faith to lead us toward new insights, implications, and actions for ministry.

I would like to begin an EfM class in January 2019, once we're in our new church. The class meets once a week for 36 weeks—time and day to be decided by participants—for about 2 ½ hours. The entire EfM program is a four-year journey, but participants need only commit for a year at a time. If you think you might be interested in learning more about EfM or joining our seminar, please talk to me during coffee hour or give me a call. My contact information is in the current directory.
