### *Vicar's Voice*

Even as we prepare ourselves for the move to our new building, I'd like to look ahead to this summer when I'll be on sabbatical. Due to generosity of our Bishop, I have the opportunity to step back from everyday ministry and take a two and a half month sabbatical. In my absence, the Revs. Dick Scott and Craig Vocelka will preside and preach at the Eucharist and be available for emergency pastoral care.

A sabbatical has been defined as "A period of time, usually three months, when ministry leaders and congregation set aside the leader's normal responsibilities for the purpose of rest and renewal toward sustained excellence in ministry. It is not an extended vacation, but is meant to be a release from the daily routine of ministry for the physical, emotional, spiritual, and intellectual well-being of the ministry leader."

The word sabbatical is drawn from the word Sabbath, which means "rest." The fourth commandment is, "Thou shalt keep the Sabbath." Just as God rested after the creation of the world, we also are to rest at intervals. Jesus affirmed the importance of rest by regularly finding times to escape from the demands of his ministry for prayer and renewal.

I have several goals for my sabbatical. They include rest and renewal; reading for my professional advancement; visiting other churches; spending time with my family; and a weeklong silent retreat at a Benedictine monastery in New Mexico. I'll reflect on the arc of my ministry up to now, and seek new energy and vision for the years ahead. I plan to be around for some time yet, and I want to be fully engaged as long as I am at St. Antony's.

While I'm gone, our lay leaders will take over many of my normal functions including the usual administrative, pastoral care, and worship planning duties. A sabbatical offers a parish a chance to experience life without their regular clergy leader, and this can be a good learning experience. It's also a time when we can reflect on our goals and our vision for the future.

I have every confidence that this sabbatical will be a time of refreshing for all of us, and we'll begin our fall season with renewed spirits.

*The mission of St. Antony's is to be a loving and welcoming people  
who worship God, grow in Christ, and serve others.  
Gather, Grow, and Go!*

## ***New Facilities Committee***

We are fast approaching moving into our new building. What a pleasure it is to see the final details being completed. Parking lot and lights, landscape and paint, doors and finish work. All the detail work is keeping the contractor very busy. It was decided to move the first service in the new building Sunday May 5<sup>th</sup>. This allows more of the final work to be sure of completion. Final inspections are being scheduled and the Occupancy Permit will follow. The church office is scheduled to move Saturday May 4. Telephone and internet services are installed and waiting for connection. That work will be completed before the office move. Bathroom facilities are installed, and the kitchen appliances are delivered. Currently the floors are covered with paper to protect them. The floors will be cleaned and coated before move-in. It all looks wonderful! Many thanks to everyone that has helped in any way. Each portion of the work regardless of the size or complexity has been important to the completion of our new building.

John Stockwell  
New Facilities Commissioner

## ***What is OUTREACH?***

From Wikipedia

Outreach is an activity of providing services to any populations who might not otherwise have access to those services. A key component of outreach is that the groups providing it are not stationary, but mobile; in other words they are meeting those in need of outreach services at the locations where those in need are. In addition to delivering services, outreach has an educational role, raising the awareness of existing services. It includes identification of underserved population and referral to services.

Lots of big words!

However in a nutshell the Readers Digest condensed version is get out and help your community! Take a morning, afternoon or evening and get out in the community. Donations are important but on site involvement is just as important. Organizations such as the Lords Diner, Kitsap Rescue Mission, Fishline, CK food Bank or Habitat for Humanity to name a few would not exist if it wasn't for volunteers.

There are organizations out in our community that needs and would welcome your talents. If you are not sure where to start I would suggest you use a search engine such as Volunteer Match (<https://www.volunteermatch.org>). You enter where you want to volunteer and what type of outreach do you want to support, such as you enter "Silverdale Washington and Homeless" then sort by distance. It will provide you a list and description of organizations in need.

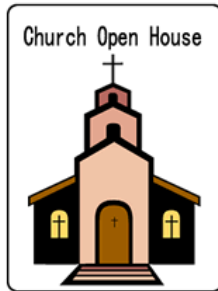

If advisory Boards are more suited to your talents Kitsap county has several of them that needs volunteers see ([https://www.kitsapgov.com/BOC\\_p/Pages/Volunteer-Services.aspx](https://www.kitsapgov.com/BOC_p/Pages/Volunteer-Services.aspx)) and click on Current Advisory Boards.

There is a lot of needs so consider giving your time to the community, If you would like to get involved with St Anthony's Outreach program please contact me, I'm usually at the 7:30 service, however my number is in the Directory and ill be glad to meet with you. The Outreach Committee meets the first Monday of the month at 3:00pm but if there is enough interest a second meeting in the Evening can be established.

Blaine Morgan  
Outreach Commissioner

## *Parish Life*

Since becoming elected onto the BC as the Parish Life Commissioner, I have been getting more anxious and excited as we get closer to moving into our new church building. I've been brain storming some fun activities and events to be held once we get into our new church. Some of these activities include,

- ~ Family Game Day
- ~ Attending a Rainer's game/tailgate party
- ~ A St. Patty's Day dinner
- ~ A Fund Raising event for our phase 2 portion

I am also looking for volunteers who'd like to help out with organizing and participation in any event/activity that gets into the works. Also, if anyone has any ideas or would like to add onto my list, please feel free to talk with me at church or contact me by email or phone.

The Consecration is coming up on Wednesday, May 15th at 6:30pm at our new church. Carpooling is strongly advised!

## *From the Altar/Flower Guild*

Sincere appreciation and thanks for your contributions for Easter lilies/flowers. Your donations continue to help us fill our needs this year. We are most grateful!

To answer questions about the peony-like flower in the Easter arrangements! They were double tulips donated by Heather Carnocki from her extensive flower garden! In delivering flowers from the Altar to those in need remember the great joy it gives the receiver as well as the deliverer!

Caroline Hoag

Easter Lilies: Regrettably, Janet Steller's name was omitted from the list of those who donated to the Lilies for the celebration of Easter. Thank you,

Ruth Lindstrum.

## *Coffee Hour Hosts Needed*

I am looking for more volunteers to be Coffee Hour Hosts. Please contact me if you'd like to be added.  
Thanks.
