Vicar's Voice

I feel very fortunate to have been granted a sabbatical leave for ten weeks this summer, the first sabbatical I've taken in twenty four years of ministry. It begins Monday, July 1. I hope to use my time wisely, for my benefit and for the benefit of our congregation. Most of the funding for this sabbatical was provided by Bishop Rickel. The remainder comes from a fund in the church budget that we have built up over the years.

The budget and calendar for the sabbatical was approved by the Bishop's Committee at our December 2018 meeting. In my absence the Revs. Dick Scott and Craig Vocelka will provide coverage for Sunday Eucharists and urgent pastoral care needs. Because we're familiar with both Dick and Craig, I'm sure that everything will function smoothly in my absence.

Administrative duties will be handled by our very capable secretary, Linda Robuck, our Bishop's Warden, David Wilkinson, and the members of our Bishop's Committee. Our Pastoral Care team will continue to provide day to day pastoral care visits and calls. In short, I'm confident the parish is in good hands through the summer.

Although I'll be traveling for a good deal of the sabbatical, I'll be at home for intervals between trips. Because the intent of a sabbatical is rest and renewal, it's considered best if the pastor completely disconnects from the parish during the sabbatical period. So I'll be away from St. Antony's completely during the sabbatical.

My sabbatical plans include a six-day silent retreat at a Benedictine monastery in New Mexico; time with my mother and my family in Colorado; a watercolor painting workshop; time with Katy and our sons and daughter-in-law in Hood River, Oregon; a trip to Alaska to see old friends and visit the church that sent me to seminary; and a backpacking trip in Olympic National Park. I have a long list of books to read, and I'll visit other Episcopal Churches on Sundays.

We'll offer prayers to mark the beginning of the sabbatical period during the Eucharist on Sunday, June 30, and we'll celebrate the end of the sabbatical when I return on Sunday, September 15. From time to time I'll post updates on my blog, "The Vicar's Brain," which can be found on the church website, so you can check the blog if you want to watch my progress. May God bless all of us during the time of this sabbatical.

Please Help the Pastoral Care Team

The Pastoral Care committee is in place to serve those parishioners who need a little care especially if they are home bound. We provide transportation, meals for a temporary period of time, caregiver support, calls, cards, and visits, information on community resources, and loans of available medical equipment.

We can reach out only to those whom we know need care. Please help us to learn of parishioners who need our help. You can contact any of our team members: Penny Whitney, Caroline Segrist, Sylvia Campbell, Gail Ferguson, Loretta McGinley, Carmen Morris, Carole Nau, Linda Robuck, Beth Rohlfing, Maggie Soctt.

And a big thank you to the others who are not Pastoral Care members but who quietly provide service and care to those of us in need.

An Invitation from Bishop Rickel to a Pilgrimage to the Holy Land in 2020

Dear Ones,

I will once again lead an annual pilgrimage to the Holy Land of Israel/Palestine in January of 2020. This pilgrimage is open to all, everyone.

Our Christian tradition holds dear the practice of making pilgrimages as holy experiences of learning, conversion and transformation, and none is more significant than walking the ways of Jesus. This is designed to be different than a tour or vacation; a pilgrimage offers a very particular opportunity to engage our sacred Scriptures contextually, and to learn more about the foundational stories of our faith.

The pilgrimages I have led to the Holy Land have shaped my ministry and my understanding of what it means to follow Christ. I am excited to offer this opportunity to the diocese, and beyond, to journey with me next January, and hope that you may be able to join me in this next journey with Christ to these holy places.

+Greg Rickel

More information may be found on the Diocesan website (<https://ecww.org>) and by searching "Holy Land."

Caring for Our Beautiful Steinway Grand Piano

Once the dust has settled and the cover is removed from our Steinway grand piano, you will hear how wonderful the piano sounds and see that the finish on the piano is absolutely beautiful. This piano is now one of the finest pianos in Kitsap County. Please help us keep our piano in good condition by observing the following guidelines:

- Place NOTHING on top of the piano. No books, no pencils, no papers, and especially no food or beverages.
- Do not lean or brush up against the piano. Anytime someone comes near the piano, there is a very real possibility that zippers, buttons, watches, rings, and fingernails can scratch it.
- Do not touch the piano unless you are playing it. Fingerprints and hand prints will detract from the beautiful finish. We don't always want to be spending our time buffing out finger prints.
- Keep the piano covered unless it is in use.

Because the children of our congregation will probably not be reading this article, I ask that the adults at St. Antony's please teach the children how to take care of the piano.

The piano is meant to be played. If you are a trained pianist, please feel free to play the piano. Children who are taking piano lessons are also welcome to play the piano (with adult supervision). If you or your children have had no piano training but you would still like to try playing the piano, please stay after the postlude on a Sunday when I am the musician. I'd be happy to have you give the piano a try.

This piano, having been purchased from memorial funds, is not just a musical instrument for our church; it is a memorial to many of our beloved members who have gone before us. Let's keep our beautiful Steinway grand piano in great condition.

New Facilities

The time is finally here to move into the new building. So much planning and work has gone into the facility. It will be wonderful to be holding services inside. A very special Thank You to everyone that helped facilitate the memorial and the 4 Sundays in the Event Shelter. Those services showed the resilience of our congregation and the strong family feeling held as St. Antony's.

As we become comfortable with our new church home many people will have thoughts or ideas regarding space usage or how to facilitate storage. Please make a note and write the thoughts down and give to the church office. Input that is verbal is difficult to track so written ideas and thoughts are welcomed. We have many programs and groups within St. Antony's so we will need to make sure that ideas mesh together well for all concerned. As we progress forward there will be items identified as needing to be purchased. The Bishop's Committee with the assistance of Sarah Rogers and David Wilkinson has put together a registry for those items currently needed but not yet provided. Sarah can provide more information on how to use the registry.

For now----WELCOME TO YOUR NEW CHURCH HOME!

Outreach

Our Outreach statement reads "The Outreach Committee coordinates and executes the sharing of our resources with the community. Educates our Communicants as to existing needs, encourages personal participation in community and Church Outreach programs and obtains and distributes funds as needs arise".

A few weeks ago I was challenged to find a bible verse that in my opinion describes St. Antony's Outreach program and use this verse to take a discerning look at our outreach program as we move into our new Church which will provide us new resources and opportunities to continue to serve our community.

It was no surprise that there were several passages that described how we were shown to go forth onto the world and serve, some were straight forward, many were long and covered the human condition in ways that my compendium and novice understanding of the bible text gave me a glimmer of what was being asked of me.

During this I kept coming back to a simple passage which spoke in a few Words what describes my vision and hopefully yours of the driving force of St. Antony's Outreach program. It is "Little children, let us not love with word or with tongue, but in deed and truth." 1 John 3:18.

Over the next few weeks I would like you think about this passage and consider what you want our outreach program to look like as we move into the new church and what opportunities and challenges await us and furthermore how do we accomplish what you envision. You will be hearing more of this subject later on.

Our Next Outreach meeting will be on Monday July 8th at 3:00 somewhere in the New Church, you are welcome and wanted to come and Participate.

Blaine Morgan
Outreach Commissioner

Parish Life

As you all know, Fr. Bill will be going on a ten week sabbatical. While he's away, we as a congregation are also going to be doing our own "sabbatical." What do we want out of St. Antony's? How would we like to move forward? Where do we envision ourselves in a year, 5 years, or 10 years down the road?

Next month on Sunday, July 14th, we will be having a combined service at 9:00 am. After the service, the Bishop's Committee will be holding a "Discernment Kickoff." As being the one in charge of Parish Life, I will be sharing some of my ideas of fun events, fund-raisers, etc. that we can hold. I would like to get some ideas from you also. If you are interested in helping to put any event on, I would love to have you! Please be thinking on where you see yourself here at St. Antony's. In the first paragraph are some questions to get you started.

I look forward to hearing from you all.

Kristen Robuck, Parish Life-Events
