INTERIM VICAR'S REPORT - Craig Vocelka

February 9, 2022

We're off to a positive start for the year. The annual meeting went off without any major problems or hitches with the technology.

My hope is that we will resume with in-person worship on the 20th. I keep monitoring the numbers and they are certainly going in the right direction. We will continue with masking for now; again, I will err on the side of caution. I think it best that for the immediate future we hold off on coffee hour until the weather improves and we can meet outside.

Lent begins on Wednesday, March 2nd, I am planning on two services, one at noon and the other in the evening. As we look forward to the Lenten Season, I'd like to ask the BC to consider a food drive for the Food Bank that could deliver during Holy Week.

In my discussions with our musicians, Joann and Chris, I think it's best that we hold off on restarting the choir. My hope is that Easter may be the time to have them sing together but that decision will be made as we get closer.

I'd like the BC to, once again, consider compensating Guy Fulton in some way. He continues to provide the invaluable service of streaming both our services every Sunday since Fr. Bill retired. I know he would be grateful. Please give this request thought and prayer.

I look forward to our day together Saturday and excited to see where the Holy Spirit will guide us in the months ahead.

With thanks and blessings,

craig

PEOPLE'S WARDEN AND PASTORAL CARE – Dave Peterson

No report.

BISHOP'S WARDEN – David Wilkinson

No report.

FINANCE – Jim Foley

2022 is off to a good start!

OUTREACH – Loretta McGinley & Dee Perreira

There was no Outreach Team meeting in February. The next Outreach Team meeting will be planned for March; date and time to be determined.

ENVIRONMENT – Dave Peterson

FAITH FORMATION – Julie Sherwin (Youth) & Esther Osborne (Adult)

The Sunday zoom Bible study will resume on this Sunday, Feb 13, and then shift to in person when the regular services start again. The advantage of Zoom is that we acquired one participant from Florida. If someone has knowledge of how to do both systems, there are advantages to doing so. My experience with dual systems has not been positive. But we will continue to have the Sunday class!

Profile Committee Report – Marty Whitaker

Feb 7, 2022

Hi David,

The Profile committee met via Zoom with our consultant from Holy Cow, Paula Frank on Monday night. We discussed what some of our options are for the Profile Survey and how it will be done. We will have the options of on line as well as written for those of us less computer savvy. We will then compile the information and enter it into the program. That information will then be compiled by Holy Cow and returned to us.

We hope to have the survey completed by Easter. That being said our goal is to have the word out to build anticipation with the Congregation ASAP. We would like the information in WHATS HAPPENING, along with an email address for concerns our Congregants may have due to the past two years we have experienced. We would like to know if there is something we need to add to the survey. We will also write a brief message for the News Letter to draw attention to both concerns and the up coming Survey. We plan for the actual survey to be out only two weeks.

Before we go public with our Profile we must have our Internet presence cleaned up. We need someone to find all passwords used or who posted the sights to remove unused and non current. We need to be reduced to a manageable presence and have it kept up to date during this process.

That pretty much covers this week. Our next meeting is scheduled for Feb. 21, 2022.

Until then,

Marty
