**INTERIM VICAR'S REPORT - Craig Vocelka**

Dear Ones,

The past month has been one of ups and downs for me with all that is going on in our world. The numerous shootings have taken their toll.

I offer a gentle reminder that Covid hasn't gone away and ask everyone to continue to take precautions and take care of themselves and each other.

As we move into the summer (hopefully it will be here soon) months, I just want to reiterate that during this time of transition we cannot put things on hold and take the usual slow down the months of June, July, and August usually bring. It would be great if we could get the playground set up and installed during this time.

I am continuing with the Wednesday evening celebration of the Eucharist. I think we need prayer right now for so many different things.

I will be gone next month, July 25-31 to serve as chaplain at Camp Huston for that week's session.

Grounds: I'm concerned about how we are caring for the grounds. Dave Sorrell seems to be doing a majority of the work and my concern is his health and that he's doing too much.

Questions:

Are we planning on a summer parish picnic on a Sunday as in the past?

Are there any other events being discussed that we need to get on the calendar?

Is there any thought to reviving the "barn sale"/rummage that was an annual event at St. A's?

With prayers and blessings,

**craig**

Jennifer Brown from the Diocese Refugee Resettlement Office asked if we could help support a refugee recently arrived in the Seattle area. There's been a great response to a request for donations. Many thanks to David Wilkinson for transporting items and to all who contributed.

Donna Hilton and Janet Steller continue to volunteer each month at the Bremerton Salvation Army. They will ask for help when they need coverage for their shifts. There was discussion and agreement to request a donation from the Brandenburg Fund at the June BC meeting to support the Bremerton Salvation Army.
