The Rev. Hillary Kimsey, Vicar

Vicar's Voice

The summer is flying by, my friends! This month we have Vacation Bible School, the unveiling of our new church road sign, St. Antony's at the Ballpark, our Red Shirt service event with Stuff the Bus, our quarterly 9:30am joint worship service and annual picnic on August 17th, and our Newcomer Welcome Dinner on August 27! (Keep reading or stay tuned for updates on all those events!)

You will also have heard updates from Holly and our Bishop's Committee regarding the church's rental house. We are so thankful to all of you who have donated time and expertise so far to getting it ready for the next tenants, and there is plenty more work to do! And while the church does have money set aside for repair work on the house, every month we don't have tenants means we are not getting the rental income we budgeted for in our annual budget. So please know, your tithes, offerings, and pledges are vital and deeply appreciated during this time. If you and your family can afford to give a little more while we are between tenants, your generosity would be an incredible blessing.

I hope to see many of you at our Stuff the Bus events! Turn the page for details. Even if you weren't able to sign up for a volunteer shift loading up the bus with school supplies, you can still join in the effort by coming by to shop for school supplies to donate during the event. Be sure to wear your St. Antony's red shirt or red vest when you do! The Outreach Team and I are thrilled to support our neighborhood schools in this way.

Lastly, in the midst of all of these exciting celebrations and projects at church and in our community, remember: take time to rest. Spend time alone with God and spend quality time with your family and friends. Read for fun. Walk in the sunshine. Garden. Listen to sacred music. Take a social media or news break. Pray. Rest is not something you have to earn, but a practice God has invited all of us into for our own health and spiritual renewal.

I read somewhere that "Rest is a beautiful interruption in a world with no pause button." We call the weekly pause Sabbath. So during this super busy month-- prioritize time to pause.

Gratefully,

Mother Hillary+

Night 'terrors' of being the Bishop's Warden

It seems like St Antony is a "bee hive" of activities this summer. Installation of the new rain garden, the bee hives being tended, the gardens around the building being weeded, the lawn being mowed, barn sale items being collected, initial phase of Memorial garden planning completed, new sign about to be installed and VBS planning in full swing. The day Mother Hillary came back from vacation, the parking lot was full and she looked amazed at all that was going on!

It takes a community (or a big bank account) to keep this church going and in good shape. Thank you to all who volunteer their time when asked, and some who see something needs to be done and doing it! For example: see photo of Charles Moorhead caught power washing the sidewalks, pavilion and chairs with his new power washer. I think I caught him helping clean up bird nest droppings and cleaning about 4 days worth. Thank you!

As if the floods and septic system failures were not enough to keep us busy with repairs, now we have another whole house to fix up to get ready to rent before we lose too much more rent money. Yes I do wake up in the middle of the night and think of something else we might need to do. I do not however email or text Mother Hillary, even though I am willing to bet she is up at the same time thinking similar thoughts. Keep helping with your ideas and input, we are not experts, but there are a lot of smart people here that bring a great variety of skills.

We do have so many wonderful projects going on, It is actually fun to be able to work with you all. I still don't realize I am retired as I am so happy busy with St. A stuff.

Blessings abound,
Holly Foley
Bishops Warden

OUTREACH COMMITTEE

Join us as we bring God's love and compassion into our local community at **Stuff the Bus 2025!**

St. Antony's is putting our "Gather, Grow, and Go" mission into action by helping at the annual Silverdale Kiwanis Club school supply drive. "Stuff the Bus" collects, sorts, and delivers school supplies to more than 450 unhoused students across 19 different schools in Central Kitsap County.

If you'd like to come along, grab your St. Antony's red t-shirt (or borrow one of our red vests) and meet us during one of the following shifts of the 6-day event:

Saturday, August 9 at Bremerton Walmart

8:30 am - 10:30 am – OR -- 10:30 am - 12:30 pm

Wednesday, August 13 at Silverdale Staples

10:30 am - 12:30 pm – OR -- 12:30 pm - 2:30 pm

For more information, please find our sign-up sheet in the Narthex, contact an Outreach Committee member, or email stantonysilverdale@gmail.com.

Pastoral Care

Last month the Kitsap County Sheriff's Department provided a Fraud Protection program at St. Antony's. The following is a short summary that everyone should follow if you get suspicious calls or emails asking for money. These can be from strangers or what seems like legitimate companies.

1. Never provide personal identifiable information such as Social Security Number, birth date, credit card numbers, bank account numbers, etc.
2. Never click on the internet site or use the phone number they provide nor the number on your caller ID. Instead, always go directly to the website or look up and use the company's number for proof of email/phone call legitimacy.
3. Never wire or provide gift cards as payment for money that is being demanded.
4. The Sheriff's Department, Jury Summons, and IRS will never call you demanding payment.
5. When searching the internet, don't use the sponsored links which usually show up first. Instead use the company's actual website.
6. Don't open texts or emails if you don't know the source.
7. You don't have to answer phone calls from numbers you don't know. If it is important they will leave a message.

If you think you are a victim of fraud, you can always contact the Kitsap County Sheriff's Department. Online you can file a report with the FBI at [IC3.gov](https://www.ic3.gov) who tracks fraud activity.

Facilities & Environment

We had a few more people show up at the first Saturday in July.

The work on the former pond started this week. Heather has more information on flower planting for the new rain garden.

#2 dishwasher failed again. Jim Foley installed two new dishwashers in the church kitchen and replaced the one at the rental house with our still-working one. The dishwasher at the house was not working.

We will need to do a lot of work outside the rental house beside all the work inside. Weeds, grass, blackberry, scotch broom have started to move in.

I need to have more volunteers to work in and around the building, with the Bishop coming, we will need to do some deep cleaning.

I did not get things organized for the parking lot painting, will work on it after barn sale and VBS.

We will be trimming some trees south of the shelter when John Stockwell brings his bucket truck.
